**Things you should know**

1. Based on Westpac car loan calculator and a secured car loan fixed rate of 7.49% p.a., as of 3/5/2021.
2. The cash cost is based on the purchase price of the vehicle divided by 60 months. This amount does not include any interest costs.
3. Lendly Pay calculations are net of GST and use the Employee Contribution Method for FBT purposes; the total cost is the net effect after tax and includes a monthly plan fee. Tax amounts are calculated using 2020-21 Resident tax rates, 2.0% Medicare levy and do not include a HELP/HECS liability.
4. The estimated total running costs based on travelling 100,000 kms and divided by 60 months. This amount does not include any fleet discounts.
5. Lendly Rewards is a monthly benefit paid by Lendly to eligible Users. This amount is based on the full benefit available over the lease term.

The above comparison is indicative and of a general nature only, and we have not taken your personal financial objectives, situation or needs into account. We recommend you consider if you need to seek professional financial advice before making any financial decisions.
